DESSERT

OUR DESSERTS ARE A PERFECT, COST EFFECTIVE WAY TO IMPRESS YOUR GUESTS WITH SOMETHING SWEET.

Is there a bridal suite on property?

Yes! We do have a small bridal suite located in our clubhouse. The suite is equipped with chairs, plenty of mirrors, & a steamer. We only have the single suite however, so other arrangements may need to be made if you and your partner plan on getting ready separately.

Do you require couples to have a Wedding Planner or "Day of Coordinator"?

We always suggest bringing in your own coordinator to help you with planning and events on the big day. We find that things tend to go more smoothly for our couples who have this extra person on hand to coordinate and communicate between vendors. This is not something we require, but we highly recommend it!

Do we have to use certain vendors, or can we bring in our own?

We do provide you with a "Preferred Vendor" list that highlights a few of our favorite vendors in the area, but you are not required to use vendors exclusively from this list.

Are there any parking restrictions for guests?

Guests are welcome to park on property at no charge. We do not provide valet or shuttle service. Guests are welcome to leave cars in the parking lot overnight if needed. Please note that rideshares (Uber & Lyft) are very difficult to get in the evening at our location and guests should make other arrangements.
